

# FLEX 20

FRESH DRAUGHT BEER  
ANY TIME, EVERY TIME

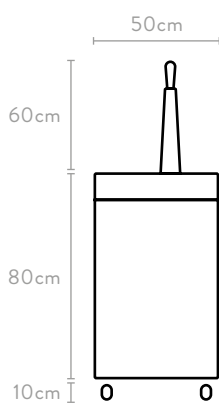

# FLEX 20

FRESH DRAUGHT BEER  
ANY TIME, EVERY TIME

The FLEX 20 is a compact solution that is completely mobile, delivering fresh draught beer anywhere. The innovative, closed-system keeps beer fresher for up to 6x longer than the old steel keg system.

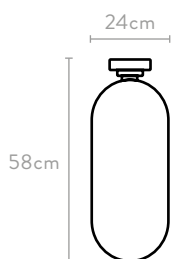

## DRAUGHTMASTER F20 COMPONENTS

### FLEX 20

Wheels for easy movement.  
Temperature kept at 2°C.

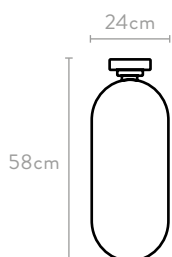

H150xW50xD60cm

### ONE KEG ON TAP

One recyclable PET keg is on tap.

H58xW24xD24cm

### SPARE KEG COOLING

A spare PET keg is cooling down.

H58xW24xD24cm

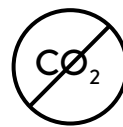

## WHY IS THE FLEX 20 A REVOLUTION FOR YOU?

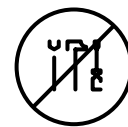

Compact dispenser  
keeps beer  
cold and fresh

Uses recyclable  
20L PET kegs  
for easy handling

No added CO<sub>2</sub>

No line cleaning

## WHERE DOES THE FLEX 20 WORK BEST?

- ✓ Any venue without space for kegs
- ✓ Serving draught outdoors
- ✓ Events and seasonal activities
- ✓ An addition to your Modular 20 installation
